This is a five-day, 40-hour basic law enforcement sniper course. The course is intended for law enforcement officers who are new snipers or plan to enter the specialty in the future. FBI and American Sniper Association standards are utilized in this course. All PREPinc Instructors are current and former law enforcement and military snipers. 300 match grade rifle rounds required. Training will be conducted at Camp Liberty (<https://www.camp-liberty.com/>) in Vinemont Alabama. This 75-acre facility offers a unique and diverse training environment complete with classroom, range, CQB building, woods, etc.

On-site lodging options are available starting at \$30 per night. To arrange lodging, contact Camp Liberty directly at call 844-962-1776.

**A training certificate will be issued for 40 hours.
