

North American Sniper Conference 2024
Hosted by Mississippi Tactical Officers
Association & Steel City Precision
April 1-April 5, 2023
Vance, AL

This year we are moving to a new location. Steel City Precision (SCP) is a private facility located in the middle of 30,000 acres of unobstructed timber near Vance, Alabama. The facility is made up of elevated shooting positions and valley-based target presentations.

Targets are placed all throughout the location from pistol engagement distances all the way out to 2,440 yards in some locations. With the facility being private and so secluded, there are no restrictions on shooting at night. The training opportunities this location provides are typically only seen far west of the Mississippi River.

For 2024 there will be two separate divisions, the Operator Division and the Open Division. The Operator Division will be limited to teams using specific calibers, factory match ammunition, and weapons suitable for duty use. The Operator Division will be competing against each other for prizes. The Open Division will allow for any weapon and ammunition combination to be used as long as the caliber stays within the parameters set in the registration packet. Sponsors and Vendors are encouraged to participate in the open division to shoot alongside the people who may be using their equipment on duty. The objective is to not just talk about equipment with potential customers but to also let them see it in action. As well as building a relationships with the teams along the way. We encourage Vendor/Sponsors to send competition teams to compete. There will be dedicated vendor time which all competitors will attend, sponsored lunches and dinners, hospitality nights, banner placement, sponsored events, and event swag.

Vendor/Sponsorship Levels

Level 1 - \$500 - 999 - Table w/chair for vendor show, company swag for competitors bags (stickers, brochures, keychains, etc...)

NASC & MTOA are both non-profit organizations and would prefer for support from vendors/sponsors to come in the form of merchandise that can be put on the prize table for competitors instead of money. It is the mission of NASC & MTOA to provide training for LE/Mil. Certificates to training classes will also be accepted as vendor/sponsor support . * Upon request .

Payments - Make all checks and money orders payable to Mississippi Tactical Officers Association. Write the name of the vendor/sponsor company on this check to ensure we can keep track of each entities vendor/sponsor level.

Send checks/money orders to:

Mississippi Tactical Officers Association Attn: NASC

P.O. Box 74, Southaven, MS 38671. Credit/Debit cards are also accepted.

Any questions contact Jonathan Prewitt (contact info below).

Merchandise Guidelines - Vendors are not allowed to offer any item for sale which bears the NASC or MTOA name or logo without the express written consent of the Staff.

Shipping - Any prizes, donations or gear to be given as prizes or swag at the competition can be shipped to:
MS Alcoholic Beverage Control Enforcement Division, Attn: Justin Lewis (NASC)
500 Clinton Center Drive, Clinton, MS 39056

We can house and transport this gear until the competition.
